Basis for Opinion on the Audited Standalone Financial Results for the year ended March 31, 2020

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in paragraph (a) of Auditor's Responsibilities section below. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Results for the year ended March 31, 2020 under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

We draw your attention to Note 9 of the statement, which describes that certain estimates and judgements were made related to the COVID-19 pandemic, wherein, the eventual outcome of the impact of this global health pandemic may be different from those estimated by the management.

Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Statement

This Statement, which includes the Standalone Financial Results is the responsibility of the Company's Board of Directors, and has been approved by them for the issuance. The Standalone Financial Results for the year ended March 31, 2020 has been compiled from the related audited standalone financial statements. This responsibility includes the preparation and presentation of the Standalone Financial Results for the quarter and year ended March 31, 2020 that give a true and fair view of the net profit and other comprehensive loss and other financial information in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Results, the Board of Directors are responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities

(a) Audit of the Standalone Financial Results for the year ended March 31, 2020

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results for the year ended March 31, 2020 as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the Annual Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

• Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing Regulations.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Annual Standalone Financial Results, including the disclosures, and whether the Annual Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Annual Standalone Financial Results of the Company to express an opinion on the Annual Standalone Financial Results.

Materiality is the magnitude of misstatements in the Annual Standalone Financial Results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Annual Standalone Financial Results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Annual Standalone Financial Results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

(b) Review of the Standalone Financial Results for the quarter ended March 31, 2020

We conducted our review of the Standalone Financial Results for the quarter ended March 31, 2020 in accordance with the Standard on Review Engagements ("SRE") 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the ICAI. A review of interim financial information consists of making enquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with SAs specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Other Matters

- As stated in Note 3 of the Statement, the figures for the corresponding quarter ended March 31, 2019 are the balancing figures between the annual audited figures for the year then ended and the year to date figures for the 9 months period ended December 31, 2018. We have not issued a separate audit report on the results and figures for the quarter ended March 31, 2019.
- The Statement includes the results for the Quarter ended March 31, 2020 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

Our report on the Statement is not modified in respect of these matters.

<u>COVID-19 Pandemic Situation- Update</u> <u>Operations</u>

A. Impact on the business

The lockdowns and restrictions imposed on various activities due to COVID – 19 pandemic have significantly impacted all the businesses of Pennar Industries Limited (the "Company"/"Pennar") and certain Subsidiaries.

The Company's operations were hit substantially from mid of March to mid of May 2020, when lockdown was gradually lifted. Corporate offices, regional offices, retail operations and manufacturing facilities were fully shut during the period and the Company was able to conduct some engineering services operations by facilitating work from home.

B. Ability to maintain operations including the factories/units/office spaces functioning and closed down

As stated earlier, manufacturing facilities were fully shut down during the lockdown phase as the Company's products and services were not part of Government denominated essential services. Corporate and regional offices were also shut, but the Company adopted the work from home policy during the entire duration of the lockdown.

C. Schedule, if any, for restarting the operations and steps taken to ensure smooth functioning of operations

With the lifting of the lockdown restrictions, the Company has started re-opening its plants in the non-containment zones, after establishing thorough and well-rehearsed safety protocols, with a workforce consisting of 30 - 40 % of employees. These protocols include usage of sanitizers by employees before entering into the company's premises, allowing limited number of persons inside the office, regular thermal screening, compulsory use of face masks, rotation of employee staff, etc.

Manufacturing activities have commenced gradually at most of the facilities. However, production ramp up will be based on the improvement in the overall economic activity and improvement at the end-users sectors, lifting of restrictions in movement at night and Companys demand forecast. In the short term, it is therefore expected that the capacity utilization at the manufacturing facilities will be well below the normal levels.

D. Estimation of the future impact of CoVID-19 on its operations

These are early days and the Company is not in a position to gauge with certainty the future impact on operations but the Company currently expects normalcy to return in Q3 of the current fiscal.

PENNAR INDUSTRIES LIMITED

The drop in sales has impacted Company contribution and profitability in the near term and is expected to impact Company's contribution and profitability till the situation normalizes.

F. Impact of CoVID-19 on capital and financial resources, profitability, liquidity position, ability to service debt, assets and internal financial reporting and control

The Company has sought moratorium on its term loans and working capital loans for the period of 3 months. The Company is in regular touch with its bankers and is evaluating the situation on real time basis. The Company is in a comfortable liquidity position due to extension of Letter of credit and has adequate banking limits being in place as the Company continues to enjoy the similar rating in both short term (A1) and long term (AA) borrowings by . The strong balance sheet of the Company is expected to be a key differentiator in the market place. This enables the Company to support vendors financially during this crisis to a certain extent.

Even before COVID-19, the Company had embarked upon a Company-wide initiative to bring down costs and conserve cash. This programme is well under way and the Company is expected to benefit from these initiatives in future.

In last 2 months, the Company's operating cash flow was negative due to virtually zero sales during the first 6 weeks of lockdown. However, cash outflow is recovering as sale of products and services commences. Thus, the COVID-19 situation is expected to adversely affect the profitability during FY2021.

The Company does not see incremental risk to recoverability of assets (Inventories, investments, Receivables, etc.) given the measures being taken to mitigate the risks. There is also no impact on internal financial controls due to the COVID-19 situation.

G. Impact of COVID-19 on supply chain

There is minimum disruption in the supply chain as most of the vendors have re-started their production and are ready to provide required supplies.

Manufacturing facilities are ready for production and will commence depending on the demand, Government order and the inventory being liquidated.

H. Existing contracts/agreements where non-fulfilment of the obligations by any party will have significant impact on the listed entity's business

The Company is well positioned to fulfil its obligations and also does not foresee any significant impact on the business due to non-fulfilment of the obligations by any party.
